

Continent Game Suggestions

Number of players: 2 to 5

Equipment needed: two dice, one map per player, several dice roll keys

1. Each player is given a world map and seven different continent labels.
2. The continent labels are placed by each player along the side of his or her map.
3. Each player rolls one of the dice to see who goes first.
4. The first player rolls the two dice.
5. The two dice are added up and the first player places a continent label on the correct continent.
6. Play continues to the next person moving in a clock wise manner.
7. That player rolls the two dice and places a continent label on the correct continent.
8. Players take turns in this manner until one player has his map of continents all labeled.
