Fiction

I want to build  
robots. I would build  
a robot rat.

It would be fun to  
build a robot cat.

I think a robot fish  
would be neat.

My robot rabbit  
would go fast.

My robot crane  
could fly.

My robot turtle  
would go slow.

My robot donkey  
would be fun to  
ride.

It would be cool to  
have a robot  
dragonfly. I want to  
build robots.
